Chelsea Truck Co.
SYDNEY
AUSTRALIA

With its classic military styling, the CJ300 and CJ400 envisaged and brought to life by Chelsea Truck Co. is a luxurious modern reincarnation of the iconic Willys Jeep of the 1940s. The British design house retains the vehicle's utilitarian roots while adding new dimensions of comfort for city cruising. Built for those with a taste for exclusivity and the finer things in life, the Chelsea Truck Co. CJ300 and CJ400 exude quality to the last detail.

EXTERIOR STYLING

Chelsea Truck Company offers an array of exterior upgrades to customise the style and shape of your vehicle.

All our body components are precision designed by our team of 3D modellers and graphic artists to ensure a perfect fit to the Jeep Wrangler, and manufactured in the highest quality materials including carbon composite.

Our LED lighting kits are designed to make your vehicle stand out from the crowd, day or night. We offer a variety of options depending on the vehicle model, including headlamp options, daytime running lights, under floor lighting and even logo projection.

For the ultimate in personalisation, our "Colours of Kahn" service allows you to commission a full professional respray of your chosen vehicle in a colour of your choice.

INTERIOR STYLING

Chelsea Truck Company is famed for its luxurious bespoke leather interiors. We use only the finest quality materials - ensuring that our interior design work adds value and style to each vehicle.

The clients we work with demand the ultimate in style, performance and comfort from their vehicles, and it's our mission not only to fulfil those demands, but to constantly strive to go further, to push the boundaries of automotive fashion, to create timeless modern classics.

Our creative team tailor the design of each of our leather interior packages to complement the style and spirit of each vehicle, creating a perfect match between the interior and exterior aesthetics. With a wide choice of leathers, fabrics, colours and stitching, including Harris Tweed, the options for personalising your vehicle are almost endless. For an even more personal touch, we provide a fabric matching service where we'll trim your vehicle to match any fabric sample you provide.

Each interior we design is upholstered by our expert team at our UK trim shop, to the exacting standards of British craftsmanship associated with the Chelsea Truck Company brand. Keeping this service in house allows us to guarantee our customers an unrivalled level of quality.

GTB SPORTS SEATS

Our sports seats package for the Jeep Wrangler comprises of both front and rear racing seats in quilted and perforated leather.

The hand-stitched seats are available in a range of choice colour combinations. In addition, we offer a fabric matching service where we will take any sample fabric you bring us and produce matching trim details for your bespoke seats.

To complement our bespoke GTB seats we also offer a full interior upgrade consisting of hand stitched leather upholstery with optional fabric details to the dashboard, steering wheel and door panels.
